Don't worry yourself getting here too early, as you've seen before the Court seems to run at its own slow speed.

Since it is definitely a trial, do you want me there early? I haven't heard anything about my Superior Court case, so it looks like I'm all yours.

Hi Sonja,

Just spoke to defense counsel, he says this will be a definite trial. Not sure if you are done testifying, but if you need to contact me, for any reason, feel free to call my cell [REDACTED]

Thanks.

Hi Joe-

Just thought that I'd let you know that I have 2 Springfield Superior Court cases scheduled to start tomorrow, and that I'm guessing that I won't be needed until Friday, but one of the ADAs did ask me about my availability next week. I told him about your case and I think he is willing to work around it if I don't get on the stand on Friday. I also have 3 or 4 other Superior Court cases waiting in the trial pool, but I haven't heard anything about them yet.

Hi Sonja,

So sorry its taken me so long to get back to you but I was out for a couple of weeks. The second [REDACTED] case [REDACTED] where he is charged with possession of class "C" is also on for 1/23, but only for a pre-trial hearing. Defense counsel has told me that he will likely not try that case, so we just need an outcome for the [REDACTED] distribution of class "b" case.

I'll let you know if there is any change in the status of either case before the 23rd. Thank you for all you work on this case. I hope you have a nice New Year's.

Joe

Hi Joe-

I wanted to let you know that I did receive your summons for the [REDACTED] case scheduled for January 23, 2012 and that I am available. I do have a question, though. I know that there is/was a second [REDACTED] (sorry, I was never given a docket number) that was changed to a pre-trial hearing on 9/8/11 (the same date that the 1st case was suppose to go to trial but was continued due to an officer having surgery) and am wondering if this case is also on the list for January 23rd. Thanks.
